

Connections You Can Count On
Stewardship Pledge Campaign 2009

**New and improved ways to fulfill your annual pledge :
Automatic bank draft, debit and charge card service**

Many people have asked us to research various automatic (bank draft, debit and/ or credit card) methods to fulfill our pledges. We are a diverse lot, we members and friends of Old Ship. We imagine there are differences in our own "best practices" for managing our annual donations and financial commitments. Adding this new method is driven by a "choice is good" philosophy.

We work with VANCO now, and like many other Unitarian Universalist Churches, are able to offer bank draft, debit and charge card options for pledge fulfillment.

We really hope this will be something that supports you in fulfilling your pledge. It can create simplicity where you may want or need it. The service can also provide a practical consistency, both for the person donating and our church.

If you would like to use this great option for fulfilling you pledge in the 2009 – 2010 year please fill out this form and return it to the office- with your pledge card, or at a later date. If you submit your pledge amount by email to Julianna at the office (office@oldshipchurch.org) , you may drop this completed form off later.

Thank you very much for your on-going support of our terrific church,
